The original papers of this order could not be traced in the Govt Record and the monthly vakil for July 1891 does not contain an abstract of it.

In para 23 of the notes the 3rd member has been pleased to note that the District Board of Bangalore should contribute their share of the cost of maintaining the dispensaries as they are contributing towards the cost of the Arlepet dispensary (i.e. 2/3 of the cost, the municipality contributing 1/3). The 2nd member on the other hand has expressed his opinion in para 30 of the notes that the expenditure of all the L.F. dispensaries in the Bangalore city should be met in the same way as in Mysore city (i.e. in the proportion of 2 to 1 by the Govt. & District Board respectively).

Again, of the uniformity of Contribution in the case of all L.F. dispensaries in Bangalore city is to be directed as suggested by the 2d member the Bangalore city Mil Council which is now paying only 1/3 of the Cost of the Ulsoor dispensary will have to be called on to pay an additional 1/3, the District Board Contributing only 1/3 as in the case of dispensaries in Mysore city.

Sir,

The Honorary President of the Bangalore City Municipal Council called for details of the recurring charges of maintaining the Malleswaram and Basavanagudi Dispensaries in respect of which the Municipality was, in G.O.No.G.12633-6-Med.105-17-6, dated 2nd December 1919, required to bear "its share" and he further defined such share to be "one-third" of the cost. In reply, he has been informed that the cost on account of the pay of the Sub Assistant Surgeon and the cost of Europe Medicines was Rs.120/- and Rs.115/- per mensem in the case of the Malleswaram and Basavanagudi dispensaries and the cost on other items was Rs.105 and 106 respectively, and that while the State Funds will bear the first mentioned items of expenditure, Rs.120 and Rs.115 in each case, the Municipality will have to bear the cost of other items as "its share of the cost" and that the G.O. does not fix the limit of the Municipal share as one-third. I have the honor to request that orders of Government on this interpretation of the ~~appointment~~ order of 2nd December 1919 may kindly be communicated to the Honorary ~~Secretary~~ President.
